## DR. STRATON ASSAILS KLAN IN SERMON AS

Repudiates Haywood, but Calls Him to Abandon Job as Klokard.

DENIES PROPAGANDA

Submits Proof That Ku Klux Literature Was Not Spread at Services.

ATTACKS POLICE TACTICS

Cites Irish Disturbances; Denounces 'Green Sectarianism' and 'Yellow Journals.'

Eighteen hundred people crowded into Calvary Baptist Church last night to hear the Rev. Dr. John Roach Straton's attack upon the Ku Klux Klan, the Rev. Dr. Oscar Haywood and the newspaper that published the report that invitations to a Klan propaganda meeting were distributed in

At least 500 more men and women failed to get in. Dr. Straton, flanked on either side by an American flag. was frequently applauded during his and Trotzky. The movement is confifteen minutes, and once when he de- the Federal authorities at Washingclared that there were "good men in the ranks of the Klan" the applause thrive and become formidable. The was as spirited as it had been at any leaders chosen to carry out this pre-

bule of the church scrutinizing those entering. Although there were no Klan nes in evidence it is possible that Klansmen listened to Dr. Straton's denunciation of Klan methods.

The preacher denied that Klan dodgers had been handed out in his church. He read a statement to this effect drawn up and signed by the ushers and the Klan Klokard and evangelist in the true Americans, who, though poor organization. He virtually Haywood out of office, but said that he would welcome the Klokard ment in the world, and, second, they back whenever the latter saw fit to fear the laws of State and nation. abandon his citizenship in the invisible

Dr. Straton attacked all secret sociebut defended all religions and races. He said he longed to be Police Commissioner for a brief season and would start all policemen's days with prayer meetings instead of political gatherings. He called the disorder in the overflow of the Irish protest meeting at the Earl Carroli Theater last Sunday night a symptom of coming anarchy and scorched "green sectarianism, yellow journal'sm and general black-guardism."

Starting with the stories that Klan dodgers had been circulated from Cal-vary Church he said, in part: "The only information that we have was secured from one of the reporters

o came to see me here. He stated in who came to see me here. He stated in the presence of Mr. Alfred Stokes, my assistant, and Mr. Leonard Wilson, my secretary, that two men brought copies of our church calendar with copies of the Ku Klux circulars to the World and stated to the World that they had been given this Ku Klux literature at Calvary

"If such literature was given out at this church, even to the extent of a this church, even to the extent of a this church, even to the extent of a the purposes of the alms and by some designing person or persons in a surreptitious manner and after the a surreptitious manner and after the activities of these Communists. The activities of these Communists. The leaders in this movement. In the by some designing person of persons in a surreptitious manner and after the services were concluded. We have not heard that this was done and believe the whole thing to have been a frameup for the purpose of injuring the church."

### The Menace of the Mask.

Then Dr. Straton paid his respects to Dr. Haywood. He told of Dr. Haywood's coming to Calvary as evangelist when the Collegiate Eaptist Church united with Calvary and read a resolution adopted by Calvary Church June 26, 1918, where in it was decreed that the church "recog-nized Dr. Haywood as an evangelist" and accepted him as such without com-pensation on the condition that his ac-tivities in that office "be prosecuted out-side of the city of New York." Then

Dr. Straton said:
"Dr. Haywood, by taking an official position with the Ku Klux Klan and by accepting the title of lecturer, Klokard or organizer of the Ku Klux Klan and by

or organizer of the Ku Klux Klan and by coming to work here in New York city in direct contradiction of the terms of the resolution has automatically vacated his nominal title and has himself surrendered his 'recognition' as 'an evangelist' of Calvary Baptist Church. "Whatever else any one may say about him, Dr. Haywood undoubtedly has a sense of humor among other good qualities and I think he will come to see the humor in the present situation and will be what is popularly called 'good sport' enough to relieve his church of any possible embarrassment because of present conditions. If, later, Dr. Haywood decides to give up the Klan work, as I sincerely hope he will do, I will be the first to welcome him back to his old relationship and will even hope to see him working in a more
